Planning Math S4MA6 2026-2027

Month	Week	Topic
september	1	**Algebra** :Real Numbers
	2	Algebra: Radicals and surds
	3	Algebra: Radicals and surds
	4	Algebra : powers and algebraic expressions
october	5	Algebra : powers and algebraic expressions
	6	**Pythagoras'theorem**
	7	Pythagoras'theorem
	8	Enlargment
november		**HOLIDAY**
	9	Enlargment
	10	Congruent and similar triangles
	11	Trigonometric ratios
	12	Trigonometric ratios
december	13	Properties of the circle / right angled triangles
	14	Properties of the circle / right angled triangles
	15	**Proportionality + Linear models: relations and functions**
		HOLIDAY
		HOLIDAY
january	16	Relations and functions
	17	**Linear functions**
	18	Linear functions
	19	Linear functions
february	20	Polynomials
		HOLIDAY
	21	Polynomials
	22	Polynomials
march	23	Simultaneous equations
	24	Simultaneous equations
	25	Simultaneous equations
		HOLIDAY
april		**HOLIDAY**
	26	Reserve/catch-up
	27	Vectors
	28	Vectors
may	29	Vectors
	30	ThFr off Probability
	31	Th+fr Ascension Probability
		HOLIDAY
	32	Statistics
june	33	Statistics
	34	Statistics
	35	Reserve (or programming S5)
	36	Te 23 National day
	37	End
